Tractor Trailer & Garage Parking begins Thursday @ 8am
Privateer Parking for other team begins as soon as all Tractor Trailers have been parked. Usually no later than 10 am.
Tune in to CB Channel 32 for parking communication

Each teams needed paddock space may be smaller or larger then the space displayed on the map.
Some adjustments to the order of teams in each row may need to be made during parking.
Transporters may not be washed in the paddock.
Transporters may be washed all day Tuesday & Wednesday morning in the gravel area across from track operations building.
Available hot pit areas have been assigned to teams with riders in Moto GT, Daytona SportBike and American SuperBike Classes.
